

BE BRILLIANT

WITH DECOPRO™

STORAGE

When not in use, store DecoPro decorating bag in a cool, dark place such as the closed original case.

- Store below 80°F to prevent irreversible heat damage. Optimal use between 65°F - 75°F.
- Shelf Life: 180 days.

HANDLING INSTRUCTIONS

To use included star-tip:

Step 1: Knead DecoPro bag up to 10 times to soften icing.

Step 2: Twist off cap and remove small ring from base. Discard small ring and keep twist-off cap.

Step 3: Before first use, blot the first bead of icing on a disposable surface and discard.

Step 4: Use DecoPro as you would any normal decorating bag.

Step 5: To store for future use, replace twist-off cap and return bag to a cool, dark location.

To use included coupler with your own standard tip:

Step 1: Knead DecoPro bag up to 10 times to soften icing.

Step 2: Separate cap top from coupler ring and set cap top aside.

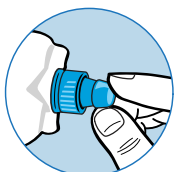

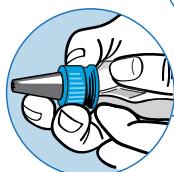

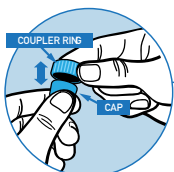

Step 3: Place a decorating tip on top of star tip.

Step 4: Twist on coupler ring for a secure fit.

Step 5: Before first use, blot the first bead of icing on a disposable surface and discard.

Step 6: Use DecoPro as you would any normal decorating bag.

Step 7: To store for future use, remove decorating tip, twist on coupler ring, replace cap by pressing onto the star tip, and return bag to a cool, dark location.

Fresh Ideas. Superior Formulations. Outstanding Taste & Quality.
